

2 CORINTHIANS 10

SPIRITUAL MINISTRY

Chapter 10

Summary: Paul covers 3 important questions about spiritual ministry.

I. How to wage spiritual warfare (1-6): (A) with godly humility [1-2]; (B) with godly weapons [3-6].

II. How to use spiritual authority (7-11): (A) with godly edification [7-9]; (B) with godly boldness [10-11].

III. How to measure spiritual ministry (12-18): (A) not by others [12]; (B) by God's will [13-18]*.

*To determine God's will, ask 3 questions: 1. Am I where God wants me to be (13-14)? 2. Is God glorified by my ministry [15-17]? 3. Can God commend my work [18]?

Lesson: *Spiritual warfare, authority, and ministry are carried out in God.*
