

## ACTS 15

### SALVATION BY GRACE

#### Chapter 15

**Summary:** Jewish believers try to impose Moses' law on Gentiles (1-5). The Jerusalem council determines that salvation is by faith in Christ alone. For harmony and morality, they ask only that the Gentiles abstain from 4 things (6-21). They include this in a letter to the Antioch church (22-29). Barnabas, Paul, and Silas continue ministering in Antioch (30-35). Deciding to revisit their new converts from their first journey, Barnabas and Paul argue over taking Mark, and go in different directions (36-41).  
**Lesson:** *By grace you are saved through faith, not works (Eph. 2:8-9).*
