

## ACTS 18

### POWERFUL MINISTERS

#### Chapter 18

**Summary:** Paul's powerful second missionary journey continues, as he comes to Corinth (1). He works with Aquila and Priscilla (2-3), and persuades many Jews and Greeks (4-5). Jewish opposition forces him to turn to the Gentiles, converting many (6-8). Jesus personally encourages him (9-11). Jews unsuccessfully oppose Paul in court (12-17). He returns to Antioch, ending his second missionary (18-23). In time Paul begins his third missionary journey (18:23b-21:15). Meanwhile Apollos receives Christ and ministers powerfully in Ephesus and Corinth (24-28).

**Lesson:** *Like Paul and Apollos, minister powerfully for Jesus (Acts 1:8).*
