

ACTS 20

FAITHFUL MINISTRY

Chapter 20

Summary: After the riot in Ephesus, Paul stops at Troas [see 2 Cor. 2:12-13; 7:5-7], then sails to Macedonia. There he writes 2 Corinthians (1-2). He visits Corinth and writes Romans (3). He revisits Macedonia and arrives at Troas (4-6). Paul ministers the word and healing, raising Eutychus from the dead (7-12). He then addresses the Ephesian elders at Miletus (13-16). He talks of his past ministry in Ephesus (17-21), his present situation (22-27), and their future responsibilities (28-35). With deep love and emotion, these gentile leaders bid Paul farewell (36-38).

Lesson: *Like Paul we must be faithful in our ministries for Jesus.*
