

ACTS 9

THE MINISTRIES OF SAUL AND PETER

Chapter 9

Summary: As Saul travels to Damascus to arrest believers, Jesus confronts him, *converts* him, and blinds him (1-9). Saul is *healed* of blindness, *baptized* with the *Spirit* and with *water* (10-19). He preaches Christ (20-22), and escapes murder (23-25). Saul visits the apostles in Jerusalem, again escapes murder, and returns home to Tarsus (26-30). The churches experience peace and growth (31). Peter *heals* Aeneas (32-35) and Dorcas (36-41), as many *believe* on the Lord (42-43).

Lesson: *Conversion, Spirit and water baptism, and healing are for today.*
