

JOHN 5

POWER AND AUTHORITY

Chapter 5

Summary: Jesus exercises all power and authority. He teaches us to exercise that same power and authority in His name.

I. *Jesus heals a paralytic (1-15)*, as He offers healing (1-6), and commands action (7-15).

II. *Jesus speaks of the Father (16-23)*, as He submits to the Father (16-19), and receives authority from the Father (20-23).

III. *Jesus grants life and judgment (24-30)*, as He offers everlasting life (24-26), and executes judgment (27-30).

IV. *Jesus has four witnesses (31-47)*, as He is borne witness by John the Baptist (31-35), the works (36), the Father (37-38), and the scriptures (39-47).

Lesson: *Jesus has all power and authority; we exercise it in His name.*
