

JOHN 9

HEALING A BLIND MAN

Chapter 9

Summary: Jesus heals a blind man, and then explains true spiritual sight and blindness.

I. Jesus heals a blind man (1-12): He gives a reason for the healing (1-5), He gives a command for the healing (6-7), and the people question the healed man (8-12).

II. The Pharisees reject the healed man (13-34): they first question him (13-17), then his parents (18-23), and then they excommunicate him (24-34).

III. Jesus explains true sight and blindness (35-41): He reveals Himself to the man (35-38), and then reveals the Pharisees' blindness (39-41).

Lesson: *Jesus heals blindness, both physical and spiritual.*
