## JESUS' WISDOM

### Chapter 10

**Summary:** Jesus expresses wisdom in showing us what's really important. He gives wise counsel to the seventy, with specific instructions for their ministry, and specific warnings for those who reject Him **(1-16)**. He wisely directs their joy from demonic deliverance to eternal salvation, and then expresses His own joy at that salvation **(17-24)**. He wisely teaches love for one's neighbor **(25-37)**, and love for God **(38-42)**. **Lesson:** *"Let the word of Christ dwell in you richly in all wisdom" (Col. 3:16).*

**I. Jesus Commissions The Seventy (1-16)** by giving specific instructions (1-12) and specific warnings (13-16).

**II. Jesus Rejoices With The Seventy (17-24)** as He witnesses the disciples' joy (17-20) and expresses His own joy (21-24).

**III. Jesus Teaches Love For A Neighbor (25-37)** as He illustrates care for another (25-36) and commands care for another (37).

**IV. Jesus Teaches Love For God (38-42)** as He warns Martha of distractions (38-41) and commends Mary for her worship (42).
