DISCIPLESHIP

Chapter 14

Summary: Jesus teaches about discipleship in 4 ways. First, discipleship involves *healing* others at any time and for any need (1-6). Second, discipleship involves *humility*, lowering oneself before others, and serving without expecting anything in return (7-14). Third, discipleship involves *responding* to Jesus, receiving Him for salvation, and sharing Him with others for their salvation (15-24). Fourth, discipleship involves *following* Jesus, which requires sacrifice and purity (25-35).
