## THE KING'S CONFLICTS

### Chapter 11

**Summary:** As Jesus ministers, conflicts arise. John the Baptist questions whether Jesus is the promised Messiah (1-15). Jesus is largely rejected by the Jews (16-19), particularly in the cities where He does the most work (20-24). He offers conflict's timeless solution—rest in Him (25-30).

**Lesson:** *To handle life's conflicts, trust and rest in Jesus.*
