

MATTHEW 19

THE KING'S TEACHING ON LOVE

Chapter 19

Summary: Jesus gives four teachings on *love*.

I. Love and Marriage (1-12). Love is the foundation of *marriage*, which God designed to be permanent. Divorce should be for sexual immorality only.

II. Love and Children (13-15). We should love *children* and build them up in the faith.

III. Love and Salvation (16-26). God's love brings us *salvation* by grace, not works.

IV. Love and Rewards (27-30). Our serving Jesus in love brings us *rewards*.

Lesson: *And now abide faith, hope, love, these three; but the greatest of these is love (1 Cor 13:13).*
