

**MATTHEW 6**  
**THE KING'S SERMON: WORSHIP**  
**Chapter 6**

Jesus continues His Sermon on the Mount by discussing worship. Worship includes our giving, praying, fasting, and use of wealth. Our giving, praying, and fasting should be acts of worshiping God, not hypocritical acts of impressing man. Our wealth is given by God in order to serve Him. Trust in God, not anxiety, should be our attitude.
