

MATTHEW 8

THE KING'S POWER

Chapter 8

Summary: Jesus shows Messianic-Kingly power by performing healings and miracles. He does so for 4 reasons: (1) to meet human needs; (2) to fulfill Old Testament prophecies; (3) to physically demonstrate salvation; and (4) to teach us to minister these same signs and wonders.

I. The King's Power Over Disease (1-17): (A) power over leprosy (1-4); (B) power over paralysis (5-13); (C) power over fever (14-15); (D) power over all infirmities (16-17).

II. The King's Power Over Men (18-22).

III. The King's Power Over Nature (23-27).

IV. The King's Power Over Demons (28-34).

Lesson: *Jesus' power to minister is still available through each believer.*
